

Veterans' Day Recognition Lunch and Program

Friday, November 10

We are blessed to be able to honor our veterans this Veterans' Day. We would like to treat these esteemed men and women to lunch before our Veterans' Day program on Friday, November 10. The lunch will begin at 12:15 p.m. with the program to follow at 1:00 p.m. We ask all friends and family to come at 1:00 p.m. to participate in our Veterans' Day program. The Marine Corps League will be here to present colors during the program. Each Veteran will be recognized during the program as well. We need a count of the veterans that will be joining us to eat and the program. We do not require a number of friends and family members that will be attending the program just veterans and whether they will be eating with us or not. Come out and help us recognize the sacrifice of each of these men and women. The students are also mailing a 'Thank you' to any military personnel currently in service. Please provide a Name, Branch of Service, and Mailing Address. This may be done on the back or separate sheet of paper.

God Bless,

Covenant Academy

Please return or contact us by Noon Wednesday, November 8 so that we may place the food orders.

Student Name _____

Name of Veteran(s) and Branch of Military Service

Please circle which the veteran(s) will be able to attend:
